PRO-MSB Tower Basic. With Battery backup

PRO-MSB Tower Basic

Perfect base with anti climb protection for your Mobile Surveillance Unit
Our specially designed Mobile Security Tower MSB6-Basic Plus helps protect temporary sites from theft, vandalism, and unauthorized access. This rapid-deployment solution extends up to 6 meters and provides an ideal base for mobile CCTV and lighting, enabling remote surveillance of unmanned or hard-to-reach locations.

Compared to the Basic model, the Plus version adds lockable roof doors and anti-climb protection to reduce tampering and climbing attempts. It is widely used on construction sites, vacant properties, and public areas to keep assets safe and lower the risk of delays or damage when no staff are on site.

Note: security equipment as shown in the images, is not included.

- Mains - bracket complete
- E- rack Ready +electronics+ etc.
- Chain for cables, incl., 6 UTP Cat, audio, 2x1.5
