MPN: COMPACT-MSB

Compact MSB. Telescopic Mast without trailer

Compact-MSB

Perfect small base for a rapidly deployable Mobile Surveillance Unit.

The Tower comes raw with no built-in accessories.

The MSB-Compact is a compact, rapidly deployable base for mobile CCTV towers, designed to secure unmanned or hard-to-reach sites where space is limited. With comparable functionality to our larger Basic, Basic Plus, and Premium models, it delivers faster setup, indoor deployment options, and cost-effective operation without sacrificing capability.

Ideal for urban areas, vacant properties, or temporary installations, the MSB-Compact helps maintain surveillance, reduce the risk of theft and vandalism, and keep operations running smoothly when site staff are absent.

Patchbox / IP66 box installed

- Special delivery requirements: Only possible where either a forklift or i high loading dock is available. Otherwise ask for price on a special delivery when not available.

Specifications

Features	**NDAA Compliance**	Yes
Legal Information	**ADR Information**	No restrictions
